ORDER:

There were only two grades of Pandits and Munshis in secondary schools before 1947. In the revision of the scales of pay which took effect from 1st January 1947, provision was made for the employment of three grades of Pandits and Munshis and the qualifications for each grade were also revised. Pandits holding a degree with the language as the main special subject and L.T. Training qualification were placed in a separate grade and holders of oreiental title with Pandit's or Secondary grade training were divided into two grades and a distinction was made between these two grades by prescribing Secondary School Leaving Certificate eligible as an additional qualification for Pandits and Munshis in Grade I. The intention was that posts in high schools should be either in the L.T. Grade or Grade I while all the posts in middle schools should be in Grade II.

2. Representations have been made to Government that in the recent revision, Pandits and Munshis have not been placed on a par with teachers of other subjects in the matter of pay and status and that the qualifications prescribed should also be revised. The Government have reconsidered the whole question carefully and have decided -

(1) that the existing two grades in high schools (i.e. L.T. and grade I Pandits) should be combined and designated as Grade I and that the same scale of pay as that of other L.T. Assistants should be allowed to them

(2) that holders of oriental title who do not possess pandits' or secondary grade training qualification but who have put in 15 years service in high schools or Training Schools on 1st January 1948 should be allowed the scale of pay admissible to Pandits and munshis of new Grade I and

(3) that the scale of pay for Pandits and Munshis in Grade II should be the same as that fixed for secondary grade teachers; and

3. Under section 67 (3) of the Madras Local Boards Act and Section 70 (3) of the Madras District Municipalities Act, 1920, the Government fix the scales of pay for pandits and munshis in Secondary schools under local bodies as shown in the Appendix to this order. The revised scales now sanctioned will take effect from the 1st January 1948.

4. The pay of the existing incumbents should be fixed in the revised scales now sanctioned under Fundamental Rule 22 (a) (ii). In the case of those pandits and munshis whose pay has not yet been fixed in the revised scales fixed in G.O. No. 905 Edn. dated 10th May 1947 giving weightage for service upto 31st December 1946, their pay should be first be fixed in these scales giving weightage for their past service and then their pay should be refixed in the scales of pay admissible under this order in accordance with Fundamental Rule 22(a) (ii).

The appointmen employment of pandits and mushis in Grade I will be confined to high schools and those of Grade II to middle schools. The revised scales of pay now sanctioned will be applicable to pandits and munshis in secondary and training schools under private managements and such managements should adopt at least these scales of

pay for pandits and munshis in their schools.

4. Orders will issue separately in regard to the revision of the scales of pay, qualifications and grades of pandits and munshis in Government Secondary and Training Schools.

5. The question of revising the scales of pay fixed for Hindustani teachers in secondary schools is under consideration of Government and orders will issue separately.

6. The Director of Public Instruction is requested to communicate the orders to the managements of aided secondary and training schools.
